## MEDICINAL.

Many a man would better go without lunch at all than eat the hurried lunch which forms the noon-day meal of many a business man. Hasty eating, foods hard to digest, and no time allowed for digestion are the cause of many a case of stomach trouble.

Disease of the stomach seriously threatens the health of the whole body and should be promptly cured. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect assimilation of food and the proper nutrition of the body on which physical strength depends.

"Nine or ten years ago my health became very poor, and in that way so far gone that good doctors pronounced my case the worst they had ever treated." writes Mr. Harvey Phillips, of Florence, Ala. "I had acute stomach trouble, liver complaint, indigestion and was nervous to such an extent I could not sleep. I finally got three bottles of Dr. Pierce's Golden Medical Discovery and some 'Pellets.' Took them according to directions on the bottles, and in a few days noticed a decided improvement. I commenced to get more rest at night and could eat with pleasure, where formerly food was like chips to me. When I had used three bottles of the 'Discovery' I was a new man; could eat mince pie for supper, go to bed at seven P. M. and sleep until seven A. M. I am now working at my trade (carpentry), every day in all kinds of weather, and think if I had not taken your medicine I would now be under the sod."

Dr. Pierce's Pleasant Pellets cleanse the clogged system from accumulated impurities.

### CATARRH Nasal Catarrh

In all its stages there should be cleanliness.

### UNION RESTRAINED.

On petition of a number of complainants including the principal transfer and delivery companies involved in the teamsters' strike in Omaha, Neb., Judge Munger, of the Federal Court, last night granted a temporary restraining order enjoining the officers of Team Drivers' International Union Local 71 from doing certain acts calculated to interfere with interstate commerce, and commanding them to appear in court May 20 to show cause why a temporary injunction should not be granted. The petition was filed by attorneys representing seven delivery companies, five coal dealers, one lumber company, one jobber and a department store. In their petition the complainants recite the terms of the contract the team drivers' union asked them to sign, and their particular objection to that clause therein which provides that "no teamster shall be discharged, laid off or docked in his time or pay for refusing to haul goods to or from any house for a firm, corporation or contractor declared to be 'unfair' by the labor unions," and then go on to relate particular instances in which by threats, intimidation and violence the strikers have interfered with their lawful business.

It is alleged that a threat was made by one of the strikers that if Walter Jardine undertook to do business with non-union drivers he would be assaulted and killed. It is further alleged that interstate commerce was interfered with when the strikers stopped goods in transit from Omaha to Council Bluffs, and from one freight depot to another in Omaha.

The order issued by Judge Munger is of the most sweeping nature. More than 300 of the teamsters' union are named in the order, which restrains them, in part, as follows: First—From in any manner posting or keeping posted in or about the places of business of your orators, or any of them, pickets instructed or directed to challenge, stop, threaten or intimidate any of the employees of your orators, or all or any of them, from proceeding with their work and service as such employees, and from in any manner interfering with any of the employees by violence, threats of personal injury, calling of vile names or offensive epithets, or any other conduct calculated or intended by intimidation or humiliation to prevent any of the employees of your orators, or any of them, from continuing in said employment, or performing the services for which they are employed.

BRITISH MONROE DOCTRINE.—Foreign Secretary Lansdowne has proclaimed a British Monroe doctrine in the Persian Gulf, and has practically notified the competing powers that any attempt on their part to establish a naval base or fortified post in those waters means war with Great Britain. "I say without hesitation," said the Foreign Secretary, dealing with the subject in the House of Lords Tuesday evening, "that we should regard the establishment of a naval base of a fortified port in the Persian Gulf by any other power as a very grave menace to British interests, and we should certainly resist it with all the means at our disposal." Lord Lansdowne preceded this explicit enunciation of British policy by a review of the situation there, as it affected British interests, contending that so far as the navigation of the Persian Gulf was concerned Great Britain held a position different from that of the other powers, both because it was owing to British enterprise and expenditure of life and money that the gulf was now open to the commerce of the world, and because the protection of the sea route to India necessitated British predominance in the gulf. The newspapers of London comment on the analogy of the present proceeding, which Captain Mahan so strongly recommended, to the United States' policy of Monroeism. The Westminster Gazette holds that the British motive—namely, protection of the sea route to India—corresponds exactly with the Americans' motive in excluding European powers from American waters, because their territory is thereby threatened.

NARROW ESCAPE OF CHILD.—Little Louis Lubliner was too young to realize how near death he was in New York yesterday, when he tumbled out of a moving elevated train to the street. He was the liveliest of all the merry children gathered at his home last night to celebrate his third birthday. "It is a miracle that this isn't his funeral instead of his birthday party," his mother said, as she snatched him from his playmates and kissed him. Louis's mother took him and his older brother down town yesterday afternoon to buy some toys. Just as they boarded the train Louis ran down the aisle and clambered into a cross seat in the middle of the car. Louis turned a laughing face to his mother. Then he put his head out of the window. Just then the train started with a jerk and Louis went out of the window. The mother saw him fall and began to scream. The train kept on at full speed.

## MISS FAY LEE,

President of the Shakespearean Club, Kansas City.

"Your booklet came to my home like a messenger of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words fail to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you,' but there is much more in my heart for you."

BEARING-DOWN pains are the worst that women know. If you are suffering from this trouble you need not be uncertain about it. The pains in the abdomen and back that feel as if heavy weights were pulling down on the nerves of the stomach are "bearing-down pains". They may not be particularly severe at present, but they are growing worse. That headache which nearly drives you distracted now is caused by the terrible

nervous tension. The nerves soon begin to give way under the strain. You perhaps jump at any unusual disturbance, or laugh or weep, hysterically, at no apparent cause. That is what Miss Fay Lee, 621 1/2 North Seventh Street, Kansas City, Kansas, was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system is relieved of the terrible wasting drains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its normal position. Returning health is the result. This is what Wine of Cardui has done for thousands of the best women in America.

If you need advice write The Ladies' Advisory Department, The Chattanooga Medicine Company, Chattanooga, Tenn., describing all your symptoms freely, and a letter of advice will be sent you. Secure a \$1.00 bottle of Wine of Cardui from your druggist to-day.

A million suffering women have found relief in Wine of Cardui.

## ALEXANDRIA STEAM BAKERY.

When Louis left the car he plunged head downward until his little body struck the guard rail. That made him yell, and the yell saved his life, for it caused Thomas Fitzgerald and David Walsh, down in the street, to look up. Bouncing from the guard rail, the boy struck the ends of the cross-ties and rebounded into the street like a rubber ball. Fitzgerald had a big hammer in his hand and Walsh was working with a heavy crowbar. Fitzgerald and Walsh were standing ready, with their arms raised, and Louis tumbled into them just like a baby playing toss up with its father.

Mr. Joseph Pominville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief, was advised by his druggist Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man today. If troubled with indigestion, bad taste in the mouth, lack of appetite, or constipation, give these Tablets a trial, and you are certain to be more than pleased with the result. For sale at 25 cents per box by Richard Gibson.

"Neglected colds make fat graveyards." Dr. Wood's Norway Pine Syrup helps men and women to a happy, vigorous old age.

A Little Early Riser now and then, at bedtime will cure constipation, biliousness and liver troubles. Dr. Witt's Little Early Risers are the famous little pills that cure by arousing the secretions, moving the bowels gently, yet effectively, and giving such tone and strength to the glands of the stomach and liver that the cause of the trouble is removed entirely, and if their use is continued for a few days, there will be no return of the complaint. Sold by E. S. Lead-better & Sons.

Let me say I have used Ely's Cream Balm for what it claims. Very truly, (Rev.) H. W. Hathaway, Elizabeth, N. J. I tried Ely's Cream Balm and to all appearances am cured of catarrh. The terrible headaches from which I long suffered are gone.—W. J. Hitchcock, late Major U. S. Vol. and A. A. Gen., Buffalo, N. Y. The Balm does not irritate or cause sneezing. Sold by druggists at 50 cts. or mailed by Ely Brothers, 56 Warren St., New York.
